## PROFESSIONAL SUMMARY

Experienced Production Director with over 38 years of experience in Radio . Excellent reputation for resolving problems, improving customer satisfaction, and driving overall operational improvements. Consistently saved costs while increasing profits.

## SKILLS

- Program scheduling for radio on-air content.
- Resource management
- Radio commercial and Programming coordination and management.
- Production scheduling In the ever changing world of radio and the world, I have great customer service. The success of any business is repeat business from our customers. I have worked countless hours developing advertising campaigns that work. I was employed many places for years including Prism-Clear Channel-Iheart Media for 27 years.  
I can bring communication to the next level for any customer service employer.
