Every year, Radio Ink spotlights and celebrates the best of the best in the radio industry.

In addition to the instructive and idea-rich content packed into every issue, Radio Ink is known for recognizing those who continue to practice and encourage professionalism and excellence in all aspects of the radio business. From familiar faces to future leaders – those whose feet hit the street to those who rise up the corporate ladder – and those who represent the diverse and exciting promise of an industry that is constantly evolving and never static – Radio Ink lists are not only major points of pride to those honored, but they have also become “gold standards” in the industry. To appear on a Radio Ink list is to have “arrived.” Just ask a listee!

Join the party! If you know someone who deserves recognition, nominate them. And consider congratulating associates or clients who garner recognition in Radio Ink. Let them – and the world – know you appreciate their accomplishments.

Together, let’s celebrate today’s role models and tomorrow’s bright promise. Radio – it takes people!
